**AGENDA**

**I. Introductions**

**II. Announcements**

- a. Meeting Changes: **New Day, Same Time!** This group is moving to monthly meetings starting in June. We will convene on the third Wednesdays of the month at noon ET. **Join us next month on June 19<sup>th</sup>, 12-1PM ET.** Visit PCPCC's [event calendar](#) to add [future calls](#) for this group to your personal calendars.
- b. Group's new "Online Discussions" featured in sidebar for this [group's home page](#).
  - i. First Discussion Topic: [Oregon's Health Reform Experiment](#)
  - ii. Join the conversation and share comments via Facebook and Twitter. To suggest other topic threads, please email Tara Hacker at [thacker@pcpcc.net](mailto:thacker@pcpcc.net).

**III. Discussion**

- a. July will be PCPCC's month on Behavioral Health! We are soliciting your input on potential speakers and resources to feature in our communication efforts.
  - i. E-Newsletters: news & resources ([Week in Review](#) & [Monthly Center Update](#))
  - ii. Webinar: 1-1.5 hours, free to the public; in-depth, practical "how to" approach for better understanding of what needs to happen in the field in order to achieve practice/system transformations
  - iii. Monthly National Briefing: 1 hour, free to the public; a brief interactive dialogue of best practices, models, and case studies
  - iv. Executive Committee Monthly Call: closed to our EC membership; very brief updates and strategic information

**IV. Learning Opportunities & Resources**

**a. PCPCC Events**

- i. Monthly National Briefing: [Making the Case for Health IT](#)  
*Thursday, May 30, 11AM - Noon ET*  
Dr. Art Kellermann of the RAND Corporation will discuss findings from his January 2013 Health Affairs article: [What It Will Take to Achieve the As-Yet-Unfulfilled Promises of Health IT](#).
- ii. Webinar: [Lessons Learned from Leading Primary Care Practice Facilitation Programs](#)  
*Thursday, June 6, Noon - 1:30PM ET*

Hosted by our Outcomes & Evaluation Center, this webinar will feature an overview of AHRQ's [How-To Guide: Developing and Running a Primary Care Practice Facilitation Program](#) and practical lessons learned from innovators in the field.

iii. [Public "Town Hall" for our Stakeholder Centers](#)

*Thursday, June 27, 11AM - Noon ET*

Join us for an interactive dialogue on our recently Board-approved Strategic Plan, and a reveal of upcoming Stakeholder Center projects and activities.

iv. [2013 PCPCC Annual Fall Conference](#)

*Oct. 13-15th, Bethesda, MD*

Community Connections in the Medical Neighborhood: The Future of the Primary Care Medical Home. Early Bird Registration ends August 30, 2013.

b. **Resources on Behavioral Health**

i. [Lexicon for Behavioral Health and Primary Care Integration](#)

This AHRQ report, prepared by SIG Member C.J. Peek from the University of Minnesota in collaboration with The National Integration Academy Council, defines a framework for integrating behavioral health and primary care as a means for improving health care quality.

ii. [Innovations in Addictions Treatment](#)

The Center for Integrated Health Solutions, SAMHSA-HRSA released this report on Addiction Treatment Providers Working with Integrated Primary Care Services.

iii. [A Standard Framework for Levels of Integrated Healthcare](#)

This SAMHSA-HRSA issue brief reviews levels of integrated healthcare and proposes a functional standard framework for classifying sites according to those levels.

c. **Behavioral Health Learning Opportunities From Our Partners**

i. [Primary Care for Substance Use Professionals](#)

*Free 5-Hour Online Course*

The SAMHSA-HRSA Center for Integrated Health Solutions has developed a 5-hour self-paced online course for addiction treatment professionals considering career opportunities in primary care.

ii. [Depression in the Workplace: Why it Matters and What You Can Do About It](#)

*Thursday, June 6, 1-2PM ET.*

Join the National Association of Worksite Health Centers to learn more about onsite health and wellness programs, including depression programs.

**REMINDER:** Our next Behavioral Health SIG call will be **June 19<sup>th</sup>** (Wednesday), from 12-1pm ET. This group has a standing call on the third Wednesday of the month – same time, same call-in number/access code.
