COLLABORATIVE

eHealth Special Interest Group (SIG) Call
Tuesday, May 7, 2013 @ 12:00-1:00pm EST
Call-In: (712) 432-0900; Participant Access Code: 765978#

AGENDA

I. Introductions

- a. Co-Chairs: [James \(Jim\) Crawford](#), MD, PhD, Chair and Senior Vice President of North Shore-LIJ Health System; [Jeff Hanson](#), MPH, MEd; Vice President of Truven Health Analytics
- b. Facilitator: [Chris Nohrden](#), IBM Retiree
- c. PCPCC Staffer: [Tara Hacker](#), Director of Programs
- d. Round robin introductions by call participants (depending on # of callers)

II. How This Group Fits into Overall PCPCC Structure

- a. Organizational Structure (**Attachment 1**)
- b. Current Center activities/priorities pertaining to health information technology
 - i. Care Delivery & Integration Center to develop case studies and highlight best practices of HIT within medical home and the medical neighborhood
 - ii. Care Delivery & Integration Center workshop at October conference on role of technology in supporting the medical home and neighborhood
- c. Procedures for communicating with Centers: Projects/tasks that this SIG identifies as a gap/need will be brought to Center Leadership by PCPCC staff (via Center monthly calls)

III. Discussion of eHealth SIG Priorities

- a. Mission: To provide informal networking and educational opportunities related to the integration of HIT into patient-centered medical homes and the medical neighborhood.
- b. Group Makeup - open to all interested in topic - Clinicians, Health Plans, Health Care Practices, HIT Vendors, Health Policy Analysts, Professional Associations, Government Employees, etc.
- c. Ideas for Future Calls: Could include invited guests; "hot topic" agenda items; program updates from the field; announcement of news & resources; etc.
- d. Future Agendas: Staff will work with SIG leaders to develop; if any SIG member has an item they would like to discuss, please email Tara Hacker at thacker@pcpcc.net by COB the Thursday before the call.
- e. Procedures for Communicating amongst SIG members: Developing an online chat forum accessible through this [group's webpage](#) (example from PCPCC's Behavioral Health SIG - "[Oregon's Health Reform Experiment](#)")

REMINDER: Our next eHealth SIG call will be **June 4th** (Tuesday), from 12-1pm ET. This group has a standing call on the first Tuesday of the month – same time, same call-in number/access code.
