Codes for Collaborative Care and Behavioral Health Integration

Collaborative Care Codes

Service/Time	Procedural Code
CoCM: first 70 minutes in the first month	99492
CoCM: first 60 minutes in the subsequent months	99493
CoCM: up to two additional 30 minutes in any month (in conjunction with 99492 or 99493)	99494
Behavioral Health Integration: Care management services for general BH conditions (20 minutes per month)	99484

Collaborative Care Codes Unique to FQHCs and RHCs

Service/Time	G-Code
CoCM: 60 minutes per month (similar to 99492 and 99493 without add-ons)	G0512
Behavioral Health Integration: 20 minutes or more per month of General Care Management or BHI services (incorporates 99484)	G0511

Paying for BHI: Resources

- 2021 NASEM report, *Implementing High-Quality Primary Care*
- Tackling America's Mental Health and Addiction Crisis Through Primary Care Integration, Bipartisan Policy Center. 2021 Recommendation: Create a capitated and risk-adjusted payment model for primary care providers who treat mild to moderate behavioral health services
- Multi-payer Primary Care Transformation Model, Washington State Health Care Authority
- Building Blocks for Providing Behavioral Health Support in Primary Care Settings, The Eugene S. Farley, Jr. Health Policy Center and the Practice Innovation Program at the University of Colorado
- Pediatric Behavioral Health: Best Practices for Primary Care, UPMC CME presentation
- "What is Integrated Care?" UPMC podcast
- The Path Forward, National Alliance of Health Care Purchaser Coalitions
