

PRIMARY CARE PRACTICES ARE CLOSING

across the United States

Voluntary retirement
or early sabbatical.
My options.
Washington

Applied for unemployment.
Minnesota

We furloughed a
large percentage
of our
organization due
to lost revenue.
Connecticut

I am retiring early.
Oregon

Closed my office.
Wyoming

That's it.
I'm done.
Iowa

Feels like a suicide
mission. I quit.
Rhode Island

Our employees
quit from
fear. New
Jersey

I have become the
sole provider in my
area. California

My office closed.
Arizona

Closing my practice.
Kansas

Furloughs. Furloughs.
Pennsylvania

Retiring early.
Tennessee

Lost my practice.
Oklahoma

-our health care
system will be
under-resourced.
California

I am retiring.
New Mexico

The pandemic
killed my
practice.
Texas

I will sell my practice
or shut it down.
North Carolina

I have been furloughed.
Florida
